Mid September 2011

Volume 7,

Principal's Message

Greetings Panther Parents!

We have gotten off to a great start this school year. I am elated by the response of our parents who have stepped forward to become PTO officers this year, as well as the number of parents who were at attendance for our Back to School Night and PTO. Parental Involvement is an integral component to a schools success. This is researched based. I would also like to take this time to ask our parents to support

our upcoming fundraiser to the Casino field trip scheduled for October 7. The proceeds from this event will assist our Athletic Program. For more information please call Ms. Benavides, at 226-7568 ext. 207. As mentioned at the PTO meeting, our partnership with the UTSA ITECH department is about to reach another level of engagement. For those of you who were unable to attend, UTSA has exclusively collaborated with ACT. This means we will have a direct line to their professors, in not only the ITECH department but other disciplines as well. This will greatly benefit our students and faculty as we continue to expose our students to the world of robotics, science, technology, engineering, and mathematics. Finally, I

want to thank you, our parents for your support, we have seen a dramatic decrease in some of the battles we fought last year in regards to the use of cellular phones during instructional time, the number of uniform violations has also decreased tremendously. Our students seem to be motivated and are enjoying school. By all indications, we are in for a banner year.

Student Council

Student Council Service Project

The student council is doing its first service project for the new school year. We are returning to the day care center. We are going to take the kids Halloween treat bags again on October 28th. We are excited as they really enjoyed it last year. We need your help. They have 120 kids. We need to fill bags with candy. So we would like you to donate candy. Just pick up a bag and bring it to room 12 before October 25th. Thanks for your help.
